

## MATCH RACE WILL FEATURE MATINEE CARD SATURDAY

Tip Top and Romac Mills Meet  
in Third Event—Former  
Won Last Week—Pacers  
Make Up Fifth Race.

The results of last Saturday's matinee race showed Tip Top the champion pacer of the Tri-State Driving club, having defeated Romac Mills and Ruby Bingen in the free-for-all race. Luther McCallum, owner of Romac Mills, being far from satisfied, has asked for another crack at the big gelding. Judging from last season's performance on the Northern circuit, Romac Mills appears to be the fastest pacer of the two, having an official record several seconds faster than Tip Top while Fred Orville's experience as a driver gives him some advantage over his opponent.

Saturday's meeting will find the backers of Romac Mills as much in evidence as on their first engagement. Ruby Bingen is matched this week with Gypsy Maid. Rip Dabbs' black mare, who was a winner last week under the name of Addie Lane and Vanda Vincent, a recent purchase of Dr. Haynes. The latter has a record of 2:07 1/2 and is said to be a bear on the half-mile tracks. This will be her first appearance before a Memphis audience.

The fourth event on the program looks to be a corker, with three trotters matched against two pacers. Wilkie Nui, owned jointly by Ben McCreary and Jim Jeffries, will make her initial start in this event and McCreary has been selected to do the teaming. Bill Jr. and Melba, II, make up the co-favorites of trotters. Bill Jr. won over a good field last week while Melba, II, was credited with one heat in 2:17 1/2 in the same race. Mr. 815 and Gertie B., the two pacers, are both expected to deport themselves better in this race than on their first appearance.

Gertie B. is a confirmed hopple pacer, but Jim Gorman elected to try her free-legged last week and found the experiment a failure. This week she will appear in her customary rigging and a better showing is expected.

Press Jones will start his new trotter, Heliohas, in the second race against Betty Boyd and Cels The Great. The former is a handsome black gelding with a record of 2:17; Betty Boyd and Cels The Great are familiar figures. Peter Chinn, winner of the first race last Saturday, finds himself in faster company this week, being matched against Aleck Penn, Frank Bragg and Memphis Girl. Aleck Penn has persuaded his owner, Bill Dwyer, to buy him a set of hopples and it is thought they will be of great assistance to him in getting around the turns.

A fair sized crowd witnessed the opening performance last week and many compliments were passed on the new track. Rip Dabbs' name will go down in history as having won the first contest over the new two-lap oval when he piloted Peter Chinn to victory last Saturday.

## BILLY DOUGLASS TO MAKE DEBUT IN MONDAY BOUT

Local Featherweight Takes on  
Bobby Hayes—Battling Ga-  
hee and Jack Mitchell Billed  
to Travel Eight Rounds.

Billy Douglass, a home-grown featherweight, who is under the managerial wing of Ray Richards, is making his debut in an eight-round bout with Bobby Hayes, also of Memphis. Douglass has been boxing around this part of the country for the past several months, and has improved to such an extent that Richards secured a match for him before the Southern Athletic club fans. Douglass is a hard puncher, and is showing plenty of class on his feet. He has already taken on some of the leading featherweights of the country, and says he anticipates no trouble in outpointing Hayes.

Bobby has not had on the gloves in a regular bout for the past two months, but has been working hard for the past couple of weeks in anticipation of Monday's bout, which will be a sort of comeback affair for him. Hayes says

he can beat Douglass, and a fast bout will undoubtedly result.

### GAHEE VS. MITCHELL.

Battling Gahee, local negro heavyweight, will start again against Jack Mitchell, of St. Louis, in the other half of the double-wildup. Gahee and Mitchell met once before, with Mitchell making Gahee's measure and winning the decision. The local negro says he was sick and unable to put up his best fight, and asked for a return date with Mitchell, and will be accommodated.

The mill should provide quite a lively exchange of jabs.

FACTORY AND EXECUTIVE OFFICE,  
MAIN RETAIL STORE,  
801-807 BROADWAY, NEW YORK

How can certain Memphis clothiers cut their prices now unless they have been charging more than they should have before? It's a simple confession of conscience-stricken merchants.

Take a \$30 Trivers Suit here today—compare it with special sale prices in other stores—compare it with their garments at \$40, \$42, \$45, and we will still save you at least \$10 and we always will.

Ask these conscience-stricken merchants to truthfully tell you if their garments at the sale prices are all wool and hand-tailored—just see what you can find in all-wool suits at \$30-\$35.

All Trivers Suits are all-wool at \$30, \$35 and \$40, and a good assortment even as low as \$25.

See if you can buy worsteds and serges at \$25, \$30 and \$35—YOU CAN HERE. And we don't have them for window display purposes only, but they are right here in stock in full range of sizes and models.

Our prices are standard—low at the season's start because we don't raise them for sale purposes at the season's end—and we sell for cash and have no credit losses.

With our own New York factory where every Trivers garment is made under the direct supervision of the firm, we sell to you DIRECT FROM MAKER TO WEARER at prices based on a small profit above actual manufacturing cost. With the useless extras cut out, every one of our 300,000 customers save money by buying Trivers Clothes—yes, they save \$10 to \$20 on a garment.

AND IF YOU'D SAVE REAL MONEY—DO THIS!

Look over the 20% to 30% so-called "Reduction Sales."

Come here and see our regular priced \$30-\$35 suits.

Then make your own comparison—your decision will be a Trivers.

You are not looking for sale prices—what you want is value—we have it for you, because we give—
